### Teaching Experience

- ❖ **Seoul Academy (Seoul) : First Grade Teacher** **July 2019-Present**  
I was the homeroom teacher in an international school setting. I taught all core subjects as well as math and drama clubs. In order to create a more student-centered environment, I added guided reading, centers, and math presentations to the curriculum. I was a member of the Teacher Climate Committee which aimed to improve the school atmosphere. I also presented guided reading strategies to the teachers for PD. I am currently on maternity leave.
- ❖ **Westminster Canadian Academy (Gwacheon) : KG Teacher, K2** **Aug. 2018-Jun. 2019**  
I was the homeroom kindergarten teacher in an international school setting. I created all curriculum using the Manitoba Canadian standards. I used theme-based and inquiry based learning methods. I ran intervention groups with 1st and 2nd graders who needed extra support in math and reading, and collaborated with fellow teachers. I helped with the school's WASC accreditation application process.
- ❖ **Hwasan Elementary School (Gunpo) : ESL Teacher** **Mar. 2016-Feb. 2017**  
I was the English teacher in a public school and taught grades 3-6. We focused on communicative activities that were differentiated and allowed students to use what they learned. I organized an English news show for different students each week that was broadcasted every Friday morning.
- ❖ **Maple Bear Global Schools (Jukjeon) : KG Teacher, Nursery 5** **Feb. 2015-Feb. 2016**  
I taught all subjects in an English immersion setting for kindergarten students, as well as after school ESL classes for elementary students. We learned through play, theme based projects, interactive events, & character development. I presented reflection activities to the teachers for PD.
- ❖ **Boston Public Schools (USA) : Substitute Teacher** **Dec. 2014-Feb. 2015**  
I filled in for teachers when they were absent in the Boston city schools. I worked from PreK-Grade 8, in regular education and special education classes.

### Administration Experience

- ❖ **Everest Academy Korea (Jukjeon): Academic Director** **Feb. 2017-Jun. 2018**  
I worked with the owner of Maple Bear (where I worked) transition the academy into a Catholic academy in association with Regnum Christi Education. I planned curriculum, hired and managed staff, led events, and provided professional development to teachers. I also taught 5th grade English debate and discussion.

### Teaching Internships

I worked alongside the homeroom teacher and strengthened my teaching skills. I conducted action research, led units of study, and received coaching.
